Governor-General of the Philippines in the Jones bill and local legislators who is blamed for the uprison. ransfer of a case against Mr. Grout from the County Court to the Supreme

Court solely on legal grounds.

At any rate, though there were many Justice Scudder said that he had not rumors of trouble few regarded them. learned of the appointment of the spe- seriously. There is very little doubt cial committee or of Mr. Cropsey's chartthat the Governor-General was fully acterization of him as a "hand picked Judge" and "lar friend" of the former Comptroller until his return from Europe hours before the disturbance took place last December. He asked Mr. Cropsey he left in the Government yacht Rizal If he had asserted that Lawyer Baldwin with his family, his aide-de-camp, Capt, was the Justice's counsel when the Grout Commiskey, and one or two friends for motions were before him. Mr. Cropsey the fishing banks of Malampaya Sound enswered that he had been so informed in the

of the Appellate Division after the Justices tice had decided that it would not be proper to appear in person before that court in connection with an application by Lawyer Robert H. Wilson for an investigation of charges made by Scudder against him. He had never met Mr. Baldwin before going on the Supreme Court bench and had a superior of the Supreme tion that the situation he did not deem it necessary to return to Manila. The official report of Chief Seaver, Mantla Folice Department, dated December 25, describes the situation in detail as follows:

"For some time past we had to be supremed to the Appellate Division after the Justices with though the army is always in close though the army is always in close deem it necessary to return to Manila. The official report of Chief Seaver, Mantla Folice Department, dated December 25, describes the situation in detail as follows: der against him. He had never met Mr.

Baldwin before going on the Supreme ton that there was to be an uprising at midnight on December 31, but on with him any phase of the Grout matter.

"I never heard any one of the Justices say that the Groun matter was a picked of the 194th.

Dieasant one," added Justice Scudder.
"So far as I felt and they felt it was a in stations and extra officers were sent.

lowed to question Justice Scudder Mr.

Cropsey began by asking why the Judge bad transferred the Grout indictment of Col. Gurney, Philippine Constabutive Scudder replied that the trial of Col. Gurney, Philippine Constabutive Scudder replied that the trial of Scudder replied that the Scud

night miners were entombed by the explosion. The greater number escaped.

Rescue parties were at once organized to search the workings and rescue trains were started to the scene. When an open lamp carried by a miner came in contact with a pocket of gas in a remote part of the mine the explosion occurred.

The hoisting apparatus was not damaged, and many of the miners who were caught were quickly brought to the surface. The State mine inspectors hurried to the workings and made a careful search for victims.

In the dispersed by the police and with no resistance being offered.

"At 4. M. a telephone mesage was received from Caloccan stating that there was a large uprising in Malabon and requesting police assistance. I deemed it wise to notify them that I would keep in touch with them on the telephone and if need of assistance became imperative I would send it; otherwise I requested that it be reported to the acting chief of constabulary. No further message was received from Caloccan during the night.

Janiero and Santos. The party consisted of fifteen employees, in charge of Edward J. Burns, assistant foreign manager.

The purpose of establishing these branches, Mr. Burns said, is to bring about better trade relations between the two countries.

"There will be no imports of gold, owing to the foreign credit exchange," he added. "If the branches in Santos and Rio are successful another branch will be established in Sao Paulo. They have been eanctioned by the Federal Reserve Board."

Among those who accompanied Mr. Burns were Francis V. Blake, A. Lawrence Hopkins and John W. Thomas.
